

From Rome to Saint Didier. Fiam outdoor collection for contract spaces

Movida and Samba for the exclusive QC Terme

Read 69 times

02/08/2017 - In contract furnishings, **Fiam** emerges effortlessly because of the ability to make large quantities without losing any attention to detail, replicating its own self in Fiam quality and doubling performance, adapting itself to the public that has to be welcomed, to the needs of architects and designers, and mindful of the demands placed on public spaces.

For spa spaces Fiam has an innate predisposition, Our products blend completely with the environment as if they were part of it. Seriousness, quality and dedication are the points that distinguish us. Here we can see the achievements of the **QC Spa** of: Bormio, Rome, San Pellegrino, Turin, Milan and Saint Didier, produced in recent years.

Movida and **Samba**, with the deft touch of their discreet but solid forms, offer comfort and relief without getting in the way of the refinement of the location, welcoming stress and tiredness to transform them into relaxation.
